

Product Lines

Seneca products express the warmth of the human hand. By utilizing historic beehive kilns and old glaze recipes, trained craftsmen create beautiful handcrafted tiles.

As a manufacturer, Seneca is the largest producer of authentically handmade tiles in the United States, and a recognized leader in manufacturing rustic, glazed tiles and unglazed paver tiles. As an importer, Seneca offers the finest examples of unique ceramic tile products from around the world.

Visit your nearest Seneca Tiles distributor today and experience the quality and character of truly unique tile first hand.
